

2025 Sponsorship Package

OMF Golf Tournament

Presented by **Dr.Bill**

Thank you for your interest in the Ontario Medical Foundation's annual golf event.

On Friday, September 12, 2025, we will gather once again on the fairways of Angus Glen Golf Club in Markham to host the 21st annual OMF Golf Tournament, presented by Dr. Bill, for a fun and meaningful day of golf.

The OMF is committed to supporting Ontario's doctors and advancing health care in our province. With your support, we can continue to take on the challenge and help to unblock the barriers to health care that so many face.

We invite you to consider sponsoring this year's event. Your support will not only ensure the success of our tournament but will also make a lasting impact on the well-being of all Ontarians through advancing our mission.

We appreciate your consideration and look forward to partnering with you.

Kindest regards,

Co-Chairs, OMF Golf Committee
Dr. Albert Ng, OMF President
Dr. Adam Kassam, OMA Past President

Closing

About the Ontario Medical Foundation

Established in 1967, the Ontario Medical Foundation is the charitable arm of the Ontario Medical Association.

Our mission aims to tackle social determinants of health and other systemic barriers to promote health equity. For many Ontarians, health care in their communities doesn't adequately meet their needs. New research shows that as of 2023, 2.5 million Ontarians are without a family doctor – with that number rising to 4.4 million by 2026.

In response, we are taking on the challenge to help advance health equity across the province in the following ways:

Enabling better health care outcomes

for Black, Indigenous, and racialized peoples, 2SLGBTQ+ communities, northern and rural/remote communities, women and seniors.

Ensuring equitable health care

by working to address social determinants of health and other systemic barriers to improve health care for all.

Empowering future doctors of Ontario

by providing bursaries to reduce the cost of tuition for those who that need it most.
